## 9. GENERAL CONTRACT TERMS

### Applicable regulations

By signing this registration form, the exhibitor acknowledges these general contract terms, the exhibitor regulations, the operating regulations, the booth construction and design regulations and the data protection regulations as binding. MCH Swiss Exhibition (Basel) Ltd. reserves the right to issue and enforce additional directives and instructions where deemed necessary.

### Advance payment (deposit)

The following advance payments are required for technical connections and other services (parking, telephone charges, entry in the information media, etc.) and shall be made together with the down payment for the booth footprint (booth footprint up to 39 m<sup>2</sup> CHF 1,000.00, booth footprint 40 – 79 m<sup>2</sup> CHF 1,500.00, booth footprint 80 m<sup>2</sup> and more CHF 2,500.00, co-exhibitors CHF 500.00, system booths CHF 500.00, complete participation packages CHF 500.00). The advance payment will be offset against the actual costs incurred as per the final trade fair invoice.

### Technical connections and other services

You can find all of the order forms in our internet order service, m-manager, under m-manager.com. Please note that partition walls must be ordered separately. Once the booth location has been assigned, exhibitors will receive confirmation of contract and further information about the m-manager. Technical connections will be installed and other services provided exclusively on the basis of orders placed using the corresponding forms available in m-manager.

### Data protection

MCH Swiss Exhibition (Basel) Ltd. guarantees data protection in accordance with the provisions of the Swiss Data Protection Act, the EU's General Data Protection Regulation and the privacy policy of MCH Group Ltd. The exhibitor's personal and corporate data will be processed by MCH Swiss Exhibition (Basel) Ltd. or by appointed third parties for the purpose of contract processing, customer care and market research. In addition, MCH Swiss Exhibition (Basel) Ltd. will disclose these data to other subsidiaries of MCH Group Ltd., foreign representations of MCH Group Ltd. and external service providers for the purpose of

direct communication and the provision of services in relation to the exhibitor's trade fair participation. The exhibitor hereby grants his approval unless he has raised an explicit objection.

### Confirmation of contract by the trade fair management

The trade fair management will issue a separate confirmation of final booth space allocation on receipt of this registration. All elements of the exhibitor contract will become legally binding when the confirmation is issued. The confirmation of contract is an integral component of this exhibitor contract.

### Exhibitor declaration

The exhibitor confirms with his signature that he has read these general contract regulations and has received a copy of the exhibitor regulations and the data protection declaration and is in agreement with their respective stipulations.
